SOFT SKILLS

- Leadership
- Polychromic
- Adaptability
- Flexibility

VOLUNTEER

- **CodeChef ABSEC:** UI/UX Coordinator
- **GDSC ABESEC:** Acting General
- **TEDx ABESEC:** UI/UX Coordinator
- **Elixir Tech Community:** Elixir Head

EXPERIENCE

YOUR TOKEN | PRODUCT DESIGN INTERN

Present | Remote

- Working on SaaS project to design a dashboard and revamp an entire Shopify-based site, currently focusing on enhanced user experience and streamlined functionality.

TRAVCLAN | UI DESIGN INTERN

Sep-Nov | Connaught Place, Delhi

- Developed marketing assets (posters, carousels, videos) for B2B clients, enhancing brand messaging and user engagement; improved digital UX and collaborated with cross-functional teams to ensure brand consistency using Adobe, Figma, and Canva

GIRL SCRIPT SUMMER OF CODE | UI/UX CORE TEAM

Apr-Oct | Remote

- I partnered with diverse teams to maintain cohesive branding and communication.
- By applying insights from user research, data analysis, and utilizing leading design tools like Adobe, Figma, and Canva.

QUESTTA LEARNING | UI DESIGN INTERN

Dec-Jan | Remote

- Led cross-functional collaboration to shape a unified brand identity and messaging, using insights from user research, analytics, and tools like Adobe, Figma, and Canva for strategic, data-driven design decisions.

PROJECTS & ACHIVEMENTS

Penpal: Handwriting Recognition with CNNs (98% accuracy)

[LINK PROVIDED](#)

- Handwriting Detection: The application is capable of detecting and extracting handwritten text from images.
- Text-to-Speech Conversion: The extracted text is converted to speech using text-to-speech technology.

CPP Tetris Game with Raylib

[LINK PROVIDED](#)

- Classic Tetris gameplay mechanics: falling tetrominoes (shapes), line clearing, scorekeeping, game over conditions.
- Raylib integration for efficient graphics, user input handling, and game loop management.

Krishi-Haat: Mobile app for Direct Farmer Access

[LINK PROVIDED](#)

- Developed the 'Krishi Haat' app, a marketplace linking farmers and merchants with real-time inventory, flexible payments, and regulatory compliance, focused on user-friendly design and cost-cutting by removing intermediaries. Presented at Smart India Hackathon.

Figma Portfolio Template

[LINK PROVIDED](#)

- Created a publicly available Figma portfolio template for professionals to showcase their work.
- Focused on flexibility, ease of customization, and user-friendly design.
